We participate in skill centers' which includes; sensory items, tinker toys, Lego's, memory games, magnet sets, and more. Your child will participate in our Movement with Music/Yoga Program each afternoon. They learn songs, use instruments, and move to the beat. They learn self control to soothe themselves. Arts and crafts are done on a weekly basis. Children play and socialize between their structured times. Tuesdays are Library Day.

Treehouse had its 1st grand-opening February of 1998! We opened our doors for a second time with our brand new learning center, July of 2006. We have been established in the community for all those years!!

Staff:

Amy and Pat Jewett, both teacher certified, have owned and operated Treehouse for 27 years. Pat retired in 2024 and Amy has taken the role as Director only. Casey and Katrina Jewett, our son and his wife, are learning the ins and outs of the family business, and eventually will take over the program. Pride is taken that there is 'zero' staff turnover. You will see the same faces greeting your children each day with the knowledge of your child's learning history, year after year. All staff are Teacher Certified by Licensing, Rule 3. Our Lead Academic Teacher holds a Pre-K Certification from Rasmussen Business College. All staff have been certified in first aid, AED, C.P.R., and have worked with children, successfully, for many years, as their chosen career.
